where food begins!
interactive exhibition

EXPO MILAN 2015
CASCINA TRIULZA
7-8-9 AUGUST H 11-20

Today in **CASCINA TRIULZA**, a fantastic exhibition organized by the European Commission to explore soil – where all food begins!

Come and touch the different soils of Northern Italy: a real sensory journey through plants, wines, truffles and many other products!

Younger children can learn about the cute animals like Molly the Mole that live in the soil and win cool gadgets and t-shirts!
