1. Introduction

The selection of the Stakeholders involved in the CEETO Project, in setting up the Action Plan and participating in the Pilot Action was straight forward.

There is one group of Stakeholders with whom the Administration of the Regional Park communicated, Forum Members. Inside of Forum Members there are two groups and some stakeholders are present in both of them:

- Pilot Action “Pratignano ce n’è uno” Stakeholders
- Pilot Action “Liberiamo il Lago” Stakeholders

2. Forum Members

The Forum Members are stakeholders group including tourism/resort administrations, Public Administrations and Institutions, local and territorial Volunteering Associations. These stakeholders are the main driving force behind the sustainable tourism development within the Regional Park and the Administration of the Regional Park decides to involve them in defining the actions for the Sustainable Tourism Action Plan. They are invited to contribute with ideas and time in the implementation of the sustainable tourism actions.

Infact the Forum Members is composed by two groups involved in the workshops about the two Pilot Actions, “Pratignano ce n’è uno” and “Liberiamo il Lago”, to decide the Action Plan implementation and to discuss actions to be taken. These members include:
