1. Introduction

The Biosphere Reserve Southeast-Rügen has been working with the EUROPARC Federations ECST Tool since 2009. Therefore, the selection of the Stakeholders involved in the CEETO Project, in setting up the Action Plan and participating in the Pilot Action was straight forward.

Overall, there are three groups of Stakeholders with whom the Administration of the Biosphere Reserves communicated. Some of the stakeholders are present in two or all of the groups:

- Forum Members
- Tourism Stakeholders
- Pilot Action “Zicker Berge” Stakeholders

2. Forum Members

The Forum Members are a close knit stakeholder group including tourism/resort administrations and competent bodies. These stakeholders are the main driving force behind the sustainable tourism development within the Biosphere Reserve and are involved in decision making. This group meets regularly to evaluate the progress of the Action Plan implementation and to discuss actions to be taken. These members include:
